A Summary

A.1 Status

V&V Scientist	Jen Lauer
V&V Date (YYYY-MM-DD)	2009.02.05
V&V Edition	1
V&V Disposition and Status	OK
V&V Charge Time	1.18

A.2 Comments

Because the OBC aspect solution was used and the Mission Time Line constraints were violated (earth angle constraint), there are no L2 events and consequently no OnTime or GTI. Charge Time is set to the L1 time.

This obsid was reprocessed to correct minor errors in parameters used in processing. Some of these parameters cannot be determined automatically for this observation and were derived from spacecraft telemetry.
